## WIDEST INFLUENCE FOR GOOD

In total, 17 individuals and 6 chapters received over \$28,000 in support this year with your help, through Theta Foundation's non-degree educational leadership grant program. These women spanned the globe from volunteering in Africa, to studying in Italy, to attending a service-learning trip in Belize. Congratulations are extended to Theta Foundation's 2010-11 grant recipients for exemplifying the widest influence for good.
