Lifetime Giving

Kappa Alpha Theta Foundation's new Lifetime Giving Societies acknowledge the loyalty of donors who have made significant contributions, either by giving year after year for many years or by contributing large amounts at various points throughout their lifetime.

Tunnickliffe Tribute Society

Named in honor of the Foundation's first president, Evelyn Tunnickliffe (Eta/Michigan), the Tunnickliffe Tribute Society is a cumulative giving society for donors who have given to the Foundation 25 years or more (not necessarily consecutive). Evelyn believed loyal giving was a keystone to the success of the Foundation in the early years. She said, "At times the task seemed almost impossible, but these dedicated women had the persistence and integrity to lay a strong base for the future growth of the Foundation. And, the ideals of Kappa Alpha Theta stiffened our resolve to see it through successfully." The loyalty of donors who have given consistently through the years has been equally important to the Foundation's continued success. Theta Foundation thanks the following individuals who have made Foundation giving a time-honored tradition and continued to make our mission possible for 50 years.

Gerlach and Stockwell Society

In honor of the families of J.G. and Marsena Nelson Gerlach (Beta Omicron/Iowa) and Winifred Tuttle Stockwell (Chi/Syracuse), the Gerlach and Stockwell Society is a cumulative giving society that acknowledges donors who have given \$25,000 or more in their lifetime. The Gerlach and Stockwell family gifts totaled more than \$5 million. These unrestricted gifts are the largest gifts received by the Foundation to date. Sizeable lifetime contributions such as these lend strength to Theta Foundation endowments, supporting the longevity of Foundation programs. Planned Giving

Lambert Legacy Society

In honor of the generosity of James and Betty Bauer Lambert (Tau/Northwestern), the Lambert Legacy Society acknowledges all individuals or couples who have planned a gift of personal assets to Theta Foundation in their estate plans. In 1989, the Lamberts provided a record gift of \$1.6 million, the largest gift ever received by the Foundation at the time and first to exceed a million dollars. Theta Foundation thanks the following individuals who will leave a legacy for those who follow and whose gifts will continue the Foundation mission for years to come.
